Tour of the Brain

Friday, March 11, 2011
8:30 am – 4:00 pm
Gadbois Hall, Saint Anselm College
Contact Hours: 6 Fee: $99

Faculty: Janice Funk, PhD, Whittier Memory Clinic, Haverhill, MA

This program is an informative and entertaining overview of the key elements of the brain using state of the art videos and animations. Topics included are:

- Brain-behavior relationships between specific diseases, such as anxiety, and schizophrenia
- How genetics of behavior will change (or not change) the way we provide mental health care
- Review the major neurotransmitters for mental illness
