

Spring 2008

Dear Student:

You must communicate your financing wishes to us in writing using the Lender Selection Form found on the back of this letter. Use this form for all loans unless you are only renewing your Stafford Loan. We will not certify any other loan without a completed and signed Lender Selection Form submitted to the Office of Financial Aid. Further information about selecting a lender is available on our website www.anselm.edu/loans.

Stafford Loan (student borrower only):

- Unless you indicate that you wish to borrow with a new lender and/or guarantor by July 16, 2008, we will process your Stafford Loan as you directed us on last year's Lender Selection Form.
- If you are changing your lender and/or guarantor, be sure to provide the name and code information for both.
- If you change your lender and/or guarantor, you will need to complete a new Master Promissory Note. Once you are in repayment, you will be paying loans to each lender or servicing agency that has advanced funds on your behalf.

Alternative Loan (parent or student borrower):

- Complete this section with information about any alternative loan you choose to help finance your education.
- The loan will be processed for the amount requested or maximum eligibility (if less than amount requested).
- If you are financing the balance of your bill with this resource, borrow the amount needed to cover the cost for the entire academic year.
- Some loans may have origination fees withheld. Be sure to allow for this when calculating the amount that you need to borrow.

Parent Loan for Undergraduate Students (PLUS) (parent borrower only):

- Before completing this form, request a credit pre-approval from your lender.
- Indicate whether you plan to use the same lender and guarantor that you used last year.
- If you are changing lender and/or guarantor, be sure to provide the name and code information for both.
- If you change your lender and/or guarantor, you will need to complete a new Master Promissory Note. Once you are in repayment, you will be paying loans to each lender or servicing agency that has advanced funds on your behalf.
- The loan will be processed for the amount requested or maximum eligibility (if less than amount requested).
- If you are financing the balance of your bill with this resource, borrow the amount needed to cover the cost for the entire academic year.
- Be sure to allow for the origination fees that will be withheld from your loan when determining the amount that you need to borrow.

Any student and/or parent who is taking any type of new loan in 2008-2009, must complete the Lender Selection Form and return it to our office no later than July 16, 2008 to ensure timely processing of your loans.

Please contact our office if you have questions concerning this process.

Sincerely,

Elizabeth Keuffel
Director of Financial Aid
