PRO TIPS FROM STUDENTS!

- ❑ Remember, most students walk to class; therefore, come well-prepared for **all types of weather**.
- ❑ Bring an **extra-long charging cord**– sometimes outlets are not conveniently placed, and having a long cord can be helpful.
- ❑ Having a **light-up desk mirror** is nice when getting ready in the morning, especially if your roommate is sleeping.
- ❑ Pack a small **first-aid basket** with a variety of medicines, toiletries, and any other health essentials.
- ❑ If you plan on getting an on-campus job, bring **multiple forms of identification** (e.g., passport, social security card, driver's license).
- ❑ You can never have enough Command hooks!
