Dear Friend,

While many students relax during the final days of summer vacation, 46 Saint Anselm College students will spend the last days of their summer walking for charity. Saint Anselm College and the Office of Campus Ministry have a devoted focus on Christian service and community, giving our students the opportunity to learn and grow while serving in a variety of programs; since 1999 the Road for Hope has raised over $300,000 for nine different charities, strengthened the bonds in our communities, and offered students a wonderful opportunity to put their faith into action.

In August 2018 these students will walk 130 miles – from Lewiston, ME to Manchester, NH – to raise money for nine small non-profit organizations along the route: Birthline of Portland, ME; Community Concepts of Auburn, ME; Good Shepherd Food Bank of Auburn, ME; St. Charles Children’s Home of Rochester, NH; Recreation Arena and Youth Services (RAYS) of Rochester, NH; Candia Moore School Drug Awareness Program of Candia, NH; Kids’ Café of Manchester, NH; UpReach Therapeutic Riding Center of Goffstown, NH; York County Shelter Program, ME. Many of these charities rely on the contribution of RFH walkers for a significant portion of their annual budget.

We are reaching out to you and many other friends to ask for your support of this important initiative. Each participant must raise $500 before our departure; our goal is to raise more than $25,000 to cover the costs of expenses and enable us to provide a donation of over $2,500 to each of the charities along the route. Please know that whatever you are able to contribute to the Road for Hope will be greatly appreciated. Your support will make an important difference in the lives of those we serve and of our students. If you have any questions, please contact me at (603) 641-7276 or afellows@anselm.edu. Thank you very much for your support.

Sincerely,
Andrew Fellows
