PROGRAM DESCRIPTION

Life is full of changes. Transitions come, welcomed or not. They come into our lives, and into the lives of the people we care for and serve. Some transitions shake the core of our very being. Some come as exciting challenges. Both can be blessings. They might, however, cause one to ponder: Who is my God? Where is the God I knew? Who is the God I need at this time? Prayer itself seems to change or be difficult. How to stay in relationship with my God during times of transition is something we desire and God desires it too. Come and be refreshed in this beautiful setting. Reflect and pray with the God who created us all and journeys with us in every transition.

This 2-day program will provide enrichment, encouragement and opportunity for parish nurses to share program ideas to enhance your health ministry.
