Cannabis Cognizance: An Overview of Cannabis and its Medical Use

Thursday, December 5, 2019
8:30 am – 3:00 pm
Gadbois Hall, Saint Anselm College
Contact Hours: 5 Fee: $109

Faculty: Lisa Withrow, APRN, FNP-C, ACHPN
Palliativity Medical Group LLC, Bedford, NH

This session will provide basic overview of cannabis strains, cannabinoids and terpenes - however will delve deeper with an overview of the endocannabinoid system, physiology of cannabis, intended reactions and potential adverse effects (including medication interactions). The NH Therapeutic Cannabis program as well as indications for medical use will also be discussed.
