The Casualties of Connectedness in a Digital Era: Health Risks & Cybercrime

Jointly-provided with Lifelong Learning Tours

Friday, April 17, 2020
8:30 am – 3:00 pm
Gadbois Hall, Saint Anselm College
Contact Hours: 5 Fee: $109

Faculty: Ann Duckless, MA, NAMI NH; Deputy Matt Fleming, NH ICAC Task Force Investigator, Hillsborough County Sheriff’s Office

This workshop will explore the emerging research in the role that technology connectedness plays in human development, communication and relationships, neurological changes; and how all of this impacts mental health and well-being.

Participants will also earn what social media applications are trending and the various techniques used by online predators to exploit them.
