Tuition Protection Plan

Protect your Higher Education Investment with the GradGuard™ Tuition Protection Plan.

We recommend that all of our students and families consider getting the GradGuard™ Tuition Protection Plan by Allianz Global Assistance. It can help you overcome financial losses if a student must withdraw from school after classes begin. Having this plan expands the scope of our current refund policy by offering reimbursement for tuition, housing and other fees due to covered withdrawals.

Please remember the deadline to enroll is the day before classes begin each semester.
