## UNFOUNDED CRIMES

Beginning with the 2015 Annual Security Report, the College must now include Unfounded crime reports. Only sworn or commissioned law enforcement personnel may make a formal determination that a report is false or baseless. Crime reports can be properly determined to be false only if the evidence from a complete and thorough investigation establishes that the crime reported was not, in fact, completed or attempted in any manner. Crime reports can be determined to be baseless only if the allegations reported

did not meet the elements of the offense or were improperly classified as crimes in the first place. Not all crimes reported are investigated by the Goffstown Police.

In calendar year 2014, there were no unfounded crimes.

In calendar year 2015, One Domestic Violence report was unfounded by the police.
