The Christmas Drawings and other Religious Works
by Fr. Iain MacLellan, O.S.B.
A little more than twenty years ago, as the new president of Saint Anselm College, Fr. Jonathan DeFelice, O.S.B. commissioned Fr. Iain to make drawings expressly for his annual Christmas greetings to the college community, alumni, friends, and associates. Soon to follow, drawings were also done for Saint Anselm Abbey’s Christmas card.

This exhibition will showcase a selection of these works, as well as other commissions received throughout the years. Focusing on later works executed as “mediations,” this collection represents years of artistic invention coupled with a monastic spirituality. This assemblage is a special occasion to view the works together, many of which have never been exhibited before.
