

Verification of 2020 Income Information for Student Nontax Filers

Student's Name: _____ ID #: _____

The instructions and certifications below apply to the student and spouse, if the student is married. Complete this section if the student and/or spouse will not file and are not required to file a 2020 income tax return with the IRS. **PLEASE NOTE: Per IRS standards, self-employed individuals earning more than \$400 per year may be required to file federal taxes.** Please check with a tax adviser or the IRS publications to determine your requirements. If it is determined that you are required to file for the 2020 tax year, a signed/dated copy of your 2020 federal tax return and W-2s will be needed before we can finalize review of your financial aid offer.

Please upload the completed and signed form to your Anselmian Aid (formerly Net Partner) portal (under Required Documents & Critical Messages) or email to the Office of Financial Aid financial_aid@anselm.edu.

Check the box that applies:

- The student and/or spouse were not employed and had no income earned from work in 2020.
- The student and/or spouse were employed in 2020 and have listed below the names of all employers, the amount earned from each employer in 2020, and whether an IRS W-2 form is provided. [Provide copies of all 2020 IRS W-2 forms issued to the student and/or spouse by their employers]. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with the student's name and ID number at the top.
