FERPA Online Authorization

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. In order for member of Financial Aid or Student Financial Services to respond to a written or verbal request for non-directory information by a person other than the student, a signed authorization must be on file.

I understand that:

1. This authorization will remain in effect as long as I am enrolled as a student at Saint Anselm College.
2. This release will remain in effect until revoked by me in writing and delivered to the Office of Financial Aid. Any such revocation shall not affect disclosures previously made by a College official prior to the receipt of such written revocation.

By clicking the link below, I understand that I am authorizing an official representative from the college to speak to those whom you specify about your student records such as academic, financial aid or student billing. For further information about FERPA, go to <https://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>.
