ANSELMIAN AID

Welcome Sample

Greetings from Saint Anselm College! Thank you for visiting your **Anselmian Aid portal**. The portal is designed to provide quick access to your financial aid information and allows you to interact with our office. You may review documents required to complete your application, read time sensitive and critical messages, and view your Financial Aid Offer for the 2021-2022 academic year.

You will see the following menu options organized to provide you with direct information regarding:

- Your Aid Offer
- Required Documents & Critical Messages

Note: Certain menu/section options will become available as you move through the financial aid process. It's important to periodically check the portal for new messages and ensure all documents are received.

Please take the time to review and familiarize yourself with the menu options to gain a better understanding of your aid offer and your responsibilities. If you are not planning to apply for financial aid, please let us know as soon as possible.
