

**Verification of 2018 Income Information for Student Nontax Filers**

Student's Name: \_\_\_\_\_ ID #: \_\_\_\_\_

The instructions and certifications below apply to the student and spouse, if the student is married. Complete this section if the student and/or spouse will not file and are not required to file a 2018 income tax return with the IRS. **PLEASE NOTE: Per IRS standards, self-employed individuals earning more than \$400 per year may be required to file federal taxes.** Please check with a tax adviser or the IRS publications to determine your requirements. If it is determined that you are required to file for the 2018 tax year, a signed/dated copy of your 2018 federal tax return and W-2s will be needed before we can finalize review of your financial aid offer.

**Check the box that applies:**

- The student and/or spouse were not employed and had no income earned from work in 2018.
- The student and/or spouse were employed in 2018 and have listed below the names of all employers, the amount earned from each employer in 2018, and whether an IRS W-2 form is provided. [Provide copies of all 2018 IRS W-2 forms issued to the student and/or spouse by their employers]. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with the student's name and ID number at the top.
