Dear New Student,

I would like to take this opportunity to welcome you to Saint Anselm College on behalf of College Health Services. We are located on the lower level of the Roger and Francine Jean Student Center. We offer a full service medical clinic, counseling services, and health education to all of our students. Per state requirements, we need to have health records on file for you to attend classes and live on campus.

The first priority is to access your Saint A's email. If you have any difficulty, call the Help Desk (603) 222-4295.

Health Services has the following requirements of new students: **Due Date July 9, 2021**
