

Withdrawal Dates
Summer 2020

A student withdrawing during the summer session will be refunded tuition according to the following percentages:

Within the first week 60%

Within two weeks 20%

Over two weeks 0%

In determining the percentage of refund, the date of withdrawal will be the date the student notifies the Director of Summer School in writing. Absence from class does not constitute withdrawal, nor does it relieve the student of the responsibility for tuition charges.
