Academic Regulations
The winter courses at Saint Anselm College are intensive academic experiences. As in regular academic year offerings, four-credit courses require approximately 180 hours of student work; two credit-courses require 90 hours. Students may not take more than four credits during the winter session, without prior permission from the Director of Summer and Winter Sessions or the Dean of the College. For Saint Anselm College students, no more than 14 credit hours from the College’s online courses may count toward the College’s graduation requirements.

It holds membership in the Association of American Colleges, the American Council on Education, the National Catholic Educational Association, and the National Association of Independent Colleges and Universities. 3. People to undertake studies which will further their personal and vocational goals.

Who May Enroll

Transfer of Credit to Other Institutions
College undergraduates who desire that credits earned be applied to their college degree programs should have their winter session course selection approved by an appropriate official of their college or university. All official transcripts must be requested online through http://transcriptsplus.net/order. Transcripts will be issued only when all financial accounts have been settled. The transcript fee is $6.00 per copy.
