### Class of 2016

Through the Senior Class Gift, graduating seniors join together to support the activities, programs, and students that make Saint Anselm College so special. Each member of the senior class can choose to designate their gift to the area of the college that is most important to them.

Members of the Senior Class who make a gift are automatically welcomed as members of the Bob Collin's Society. They maintain their membership by continuing to give to the college each year.

This annual tradition is one way for seniors to show their love for Saint Anselm as they transition from students to alumni. We thank the Class of 2016 for sustaining and strengthening the college for the next generation of Anselmians.
