

SAINT ANSELM

2011-2012 Honor Roll of Donors

DEAR ALUMNI, PARENTS AND FRIENDS

Forty-eight years ago, I first set foot on the campus of Saint Anselm College as a nervous and excited freshman. Yes, the campus looked very different than it does today, but the hallmarks of this great school are unchanged: the warm, Benedictine hospitality that greeted my family and me, and the commitment to distinctive, quality, Catholic education.

For nearly 25 years, I have served as President of Saint Anselm College. I have watched the college grow, both in population and in physical size, as we added new buildings and programs. Each and every day, I look upon the campus with great pride—pride in our students who are learning to think critically and ethically in their chosen fields of study, and in our faculty who continue to learn so that young Anselmians have the latest information and the tools needed to succeed. I have pride in our staff members who go out of their way to help our students and graduates, and in our alumni themselves—more than 20,000 strong—who never cease to amaze me with their incredible accomplishments.

And I have pride in you for your commitment to Saint Anselm College.

This Annual Honor Roll of Donors honors you, our loyal donors, for your support. This book boasts 6,811 names, and is something I look upon with an overwhelming sense of thankfulness. I am truly grateful to all who have supported Saint Anselm and to all who plan to do so in the future. You are helping to make this world a better place—a world with more Anselmians.

As I prepare for my retirement in just a few short months, I remember the kindness of our alumni, friends, parents, faculty, staff and students who have helped Saint Anselm be a source of pride. We could not have achieved all that we have for 123 years without YOUR generosity.

From the bottom of my heart, thank you. I will keep all of you in my prayers.

Sincerely,

A handwritten signature in black ink that reads "Jonathan DeFelice, O.S.B." The signature is written in a cursive, flowing style.

DEAR ALUMNI, PARENTS AND FRIENDS

When I was on campus recently, walking along the quad, watching the students hurry to their classes and activities, it hit me—one of the main reasons I am where I am today is because of Saint Anselm College.

Grateful doesn't begin to describe what I feel toward my alma mater. It is where I not only received an outstanding education that helped me tremendously throughout my professional career, but it is also where I learned so much about myself and the world around me. It is where I met life-long friends and made memories, just like these young Anselmians are doing today.

Saint Anselm College had an impact on my life. And now, years later, through my work on the Board of Trustees and my contributions, I am making an impact on Saint Anselm College.

And, all of YOU are making an impact on Saint Anselm College through your generous support.

Thank you for helping a new generation of Anselmians receive a distinctive, Catholic Benedictine education. Thank you for helping our sports teams, so they are fully equipped and well prepared. Thank you for helping our amazing faculty with new technology and resources needed to give their students the latest information. Thank you for providing much needed financial support to our students. And thank you for helping to support the numerous student activities on campus.

I know that times are tough for many. On behalf of the Board of Trustees of Saint Anselm College, thank you for making Saint Anselm College a philanthropic priority in your life. Your impact is being felt campus-wide.

Sincerely,

A handwritten signature in black ink that reads "Kevin Gould". The signature is written in a cursive style.

WAYS TO GIVE

You can support Saint Anselm College in many ways. We are always pleased to discuss in more detail the various methods of giving. For further details, please contact Jim Flanagan, Vice President of College Advancement, at 603-641-7221 or jflanaga@anselm.edu.

OUTRIGHT GIFTS

Cash

Gifts of cash make funds available for immediate use by Saint Anselm and are fully tax-deductible for donors who itemize deductions. Checks should be made payable to Saint Anselm College. The college also accepts payments by Visa, MasterCard and American Express as well as direct debit contributions from a checking or savings account. You can give by mail, telephone, or online via the college's Web site at www.anselm.edu/giving.

Securities and Mutual Fund Shares

Gifts of long-term appreciated securities and mutual fund shares offer the benefits of deducting the gift (at fair market value) on the date of transfer to Saint Anselm. In addition, donors are not required to pay capital gains tax on the appreciation of the stock.

Matching Gifts

Many businesses and corporations match their employees' gifts to educational institutions. Please ask your human resources department whether your company offers such a program. You may also search our matching gift directory at www.anselm.edu/matchinggift.

Pledges

Pledges allow you to make a commitment to the college to be paid over a period of time. Installments are based on an agreed-upon schedule of payments and may be made by any of the above methods.

PLANNED GIFTS

Bequests

Including the college in your will, retirement plan, or life insurance policy are three possible ways to make a bequest. We can help draft language for your bequest and provide information about how a bequest can reduce your estate taxes. Consider becoming a member of the 1889 Society.

Charitable Remainder Trusts

An annuity or unitrust can be established by transferring cash or appreciated property (stock or real estate) to Saint Anselm College. The college, as trustee, manages the trust for you or your appointed beneficiaries. You receive an annual income of at least five percent from the trust for the remainder of your life or your beneficiaries' lifetimes, or for a term of years. You also receive a charitable deduction for your gift, and, if appreciated property is used to fund the trust, you avoid capital gains tax on the sale of the asset.

Charitable Gift Annuity

This form of giving allows you to transfer cash or securities to the college in return for an annuity that pays you or your appointed beneficiary a fixed income for life. The charitable deduction depends on the age of your income beneficiaries, the annuity rate of yield, and the amount of your gift. Saint Anselm pays charitable gift annuity income quarterly.

Charitable Lead Trusts

For donors with substantial assets whose estates, under current tax law, will be taxed at a higher rate, a lead trust can be mutually beneficial. It offers a way to make a significant gift to Saint Anselm without depriving heirs.

Real Estate

You may make a gift of real estate to the college or transfer the property into a charitable trust. You may also contribute real estate to the college while reserving the right to occupy the property. Each plan has its own unique tax and income benefits.

Personal Property

A gift of capital assets (such as art, rare objects, equipment, antiques, etc.) can sometimes be given for educational purposes for the immediate benefit of the college. In order to ensure full deductibility, such gifts must possess a "related use" for the college.

WAYS TO GIVE

MONTHLY GIVING/PLEDGES

Through our Monthly Giving program you can divide your total gift into manageable monthly installments. For example, a gift of \$100 can be divided into monthly payments of only \$8.34 or for \$83.34 per month you will have provided \$1,000 in support and qualify for membership in the President's Society. Please contact Joe Emmons at (603) 641-7201 or jemmons@anselm.edu to set up a monthly giving payment that works for you.

THE SAINT ANSELM FUND - IMPACT NOW:

As every Anselmian and friend of Saint Anselm has individual experiences, programs and unique interests, we are offering the opportunity to designate your annual gift to the area of Saint Anselm College that is most important to you.

Anselmian Scholarships

Your gift directly funds the education of our Anselmians. Support for this critical priority enhances our scholarship packages and helps ensure that students who are qualified to attend Saint Anselm are able to do so regardless of their financial means.

Anselmian Support

Your gift impacts areas with the highest level of need, as we apply them to where they will have the greatest benefit.

Anselmian Academics

Your gift allows us to attract highly qualified faculty; provide the latest technology and equipment; host conferences; bring in outstanding speakers; and take every opportunity to improve the educational experience for our students.

Anselmian Life

Your gift enriches, strengthens, and helps create the programs that make Saint Anselm so rewarding for our students. It immediately impacts student-focused programs such as the Meelia Center for Community Engagement, Campus Ministry, Career Services, and student activities.

Anselmian Athletics

Athletic programs require excellent facilities, up-to-date equipment, talented coaches and resources for travel and recruitment. Your gift helps ensure that every Hawks team is fully equipped, well prepared and competitive.

Dan Forbes, Director, Meelia Center for Community Engagement

"These selfless acts can only be enhanced and expanded through philanthropic support."

When students at the Meelia Center heard of a Liberian refugee who had been separated from her daughters for more than a decade, they jumped into action, raising money for the girls' air fare and buying them beds. About a dozen were at the airport for the mother-daughter reunion. That's just one of the transformational experiences that come from being involved with the Meelia Center.

"The generous gifts to the Meelia Center do far more than support programming. They convey to our students that alumni believe in them and it supports their efforts to build community partnerships where learning and service can flourish. It empowers students and our community partners to dream and follow their passions. Most importantly, these gifts strengthen Saint Anselm College's commitment to live out its core mission."

Your gift has an **IMPACT NOW** on every student at Saint Anselm College. Thank You!

SOCIETIES

THE BOB COLLINS SOCIETY

Saint Anselm College has created a new giving society to recognize our most loyal donors.

The society is named after the late Bob Collins '37, who started giving to his alma mater as soon as he graduated. After he made his first modest donation, he followed it with a gift every year... for 74 years.

Consistent giving has a powerful impact on Saint Anselm College. In addition to demonstrating loyalty, a high giving rate among our alumni helps the college attract grants, save money, rise in national rankings, and inspire other alumni, as well as parents and friends, to give.

By making a donation this fiscal year *-at any giving level-* you will be inducted into this society. You'll remain a member by following Bob Collins' example of continuing to give every year moving forward.

You will be recognized—as Bob is—as one of our most loyal donors.

To learn more about Bob Collins, his legacy, and the society visit www.anselm.edu/bob-collins.

PRESIDENT'S SOCIETY

Founded in 1992, the President's Society recognizes the college's most generous donors, whose leadership giving reflects an extraordinary commitment to the students and faculty of Saint Anselm College. Since its inception, membership in the President's Society has almost tripled.

Membership in the President's Society is obtained by making an annual contribution of \$1,000 or more. Donors from the 10 youngest alumni classes who contribute \$500 or more are Associate Members of the President's Society.

By joining the President's Society, alumni, parents and friends help the college fulfill its promise to develop students as critical thinkers, principled leaders and ethical decision makers. In addition to being recognized in this, the college's Honor Roll of Donors, President's Society members enjoy professional networking opportunities and an annual reception hosted by the president of the college.

1889 SOCIETY

The 1889 Society celebrates those generous and insightful donors who have chosen to leave gifts to the college through estate planning.

These gifts not only help the college plan for future programs and help students afford tuition; they also provide our benefactors with an opportunity to make a statement of priority with their estate plans. Planned and estate gifts allow the college to prepare for growth of strategic initiatives and help our donors save on taxes.

Walter Gallo '58, a proud Golden Anselmian and former administrator of the college, is founding president of the 1889 Society.

"We understand what gifts of any size do for the school."

In Jeanne and Rob Elliotts' lives, Saint Anselm College plays a major role. Rob's father (Robert '67) and his brother (Brandt '00) also graduated from the college, and the couple met as students. Over the years, thanks to matching gifts from their employers, the couple has funded named annual scholarships to support nursing students. As vice president of the Alumni Association, Rob's priority is educating alumni and students on the importance of giving back to their alma mater.

"Through our experience as students and Rob's time on the Alumni Council, we understand how critical it is for alumni to support the college, and we know how those gifts allow for the development of the school. Every alumnus should know that their support is critical to the college's future. Giving back is a great way to stay connected to the school, too."

"Everyone has the capacity to give."

Chris DeVits made his first gift to Saint Anselm College (a modest one) during his senior year. He has given every year since, and is a proud Associate Member of the President's Society. While studying for his master's degree at Boston University, he realized that he was far better prepared than some of his classmates—reinforcing his opinion that the Hilltop is a special place.

"I received a well-rounded education that not many people are lucky enough to receive. Not only am I well prepared academically, but the Benedictine tradition and Catholic identity make Saint Anselm distinctive. I give because of the college's mission and what it stands for. It's important for alumni to give what they can, even if they are young and have just entered the workforce. It shows you have pride in your school."

OUR MONASTIC COMMUNITY

The Benedictine Catholic tradition of community engagement and service is one of the foundations of campus life at Saint Anselm College. There are twenty-eight members of the Order of Saint Benedict of New Hampshire, most of whom live in community at Saint Anselm Abbey. As residents of the campus community, the monks serve in multiple roles at the college.

We are deeply thankful for the ongoing generosity of our monastic community. Each one has chosen to give his time and talent to this institution, helping to foster the sense of community, caring and spirituality known to be the hallmarks of Saint Anselm College.

Allyn Doyle '13, psychology

"I have learned so much from the people I've served, and really they have served me in return."

This spring, Allyn will participate in her third Service and Solidarity service trip. She will co-lead a trip to Phoenix, where she and nine of her fellow students will volunteer at a homeless shelter and soup kitchen. Her first two trips took her to the streets of New York City and an orphanage in Honduras. Much of the cost for these trips is raised by the students themselves, but most is borne by the college.

"Donations from alumni and sponsors are especially helpful for students who couldn't afford to attend and aren't able to raise funds. We don't want to turn people away from these experiences, because service is such an important part of the Anselmian experience. It's one of the cornerstones of Saint Anselm College."

Justin Mambro '11

“Knowing that there are people out there who support athletics was so important to me.”

Justin Mambro’s love of sports began when he first took to the ice at age two and a half. Years later, his talent and passion for hockey led him to lacrosse, and that led him to Saint Anselm College. While he had the opportunity to attend a larger university and play competitively for a Division I school, he chose Saint Anselm because of its reputation for academics. He continued to play the sport he loved, achieving the title of captain in his senior year. Justin believes that playing for a smaller school showed him how gifts to the athletic department really make a difference in the lives of the student-athletes by helping pay for equipment and supplies.

“Any contribution anyone can make helps the athletics program and students like me. Then you don’t have to worry as much about the financial pressures of the sport; you can just worry about becoming better.”

Mount Saint Mary College Endowed Scholarship Fund

Alumnae of Mount Saint Mary College were welcomed into the Saint Anselm College Alumni Association as associate members in 2007 and in 2012 they established an endowed scholarship fund at Saint Anselm College. The Mount Saint Mary College Endowed Scholarship Fund honors and commemorates the Mount as well as its historical association with Saint Anselm. Once fully funded, it will create a permanent scholarship for a female student with financial need, academic aptitude, leadership potential and, in honor of founder Catherine McAuley, experience serving those in need.

All those who donated \$100 or more in 2012 were recognized as charter members of the Fund and members of the Sister Mary Vianney Fulham RSM Society in honor of Sister Vianney for her many years of committed service and leadership at the Mount.

Saint Anselm College is pleased to thank Mount Saint Mary College alumnae and friends for establishing and supporting this scholarship.

Dr. Sharon George, Dean of Nursing

"The generosity of alumni and friends has truly transformed the Saint Anselm College nursing department."

According to Dr. George, donor support has allowed the college to purchase equipment that closely simulates clinical practice situations, starting with Sim Man, a mannequin that breathes, has a heartbeat, and displays all the vital signs. The department also has Sim Baby, Toddler, and Adolescent, giving student nurses practice interacting with patients and thinking on their feet in the professional clinical setting. Philanthropic support also helped the department acquire a Pyxis medication management system, the kind used in hospitals nationwide to decrease potential medication errors.

"Through simulation education, students have a chance to learn how to respond to situations in a safe environment where they can learn from their mistakes. I don't think anyone could imagine how grateful I am for the generosity of our alumni and friends that allows the Saint Anselm College nursing program to remain a leader in nursing education, not only in New Hampshire but beyond."

John Vaccaro '92

"I want others to have the same experiences I had."

John Vaccaro believes he has Saint Anselm College to thank for many of the blessings in his life. He launched his career in the financial services and insurance industry immediately after graduating with a degree in history. He is now a senior officer at the MassMutual Financial Group and president of MML Investors, Inc. He returns to campus to talk with current students about his experience in the corporate world, encouraging them to take public speaking and acting classes.

"The great education I received at Saint Anselm led to my job, and most importantly to meeting my wife, Shana, through my roommate. Even if you can't fund a named annual scholarship, every gift to Saint Anselm College matters. It is important to show prospective students that we have alumni who are involved and loyal. Someday maybe they can be in the position to help others in their turn."

Endowed Scholarships

Once established, endowed scholarship funds provide financial aid in perpetuity to talented and deserving students. Such gifts are essential to Saint Anselm

Gilberto Ponce '16, mathematics

"Any gift to Saint Anselm College can make a difference. It did for me."

Gilberto Ponce clearly remembers the moment he received the call from Saint Anselm College informing him that he had received the Lynne Kalagher Memorial Annual Scholarship. Saint Anselm was the only college he had toured and he had been thrilled to receive an acceptance letter. But he and his mom, who works several jobs to support their family, had decided that he would enroll at a community college because of concerns about the tuition.

"When I got the call, I was just in awe. I was dumbfounded. I was so proud to tell my mother that I could go to this college and achieve my goal of becoming a math teacher. The appreciation I have for Mr. Kalagher is indescribable."
