KDP New Member Induction

Kappa Delta Pi, the International Honor Society in Education, was founded by William Badgley, Truman Kelly and Thomas Edgar Musselman in 1911 at the University of Illinois to foster excellence in education and promote fellowship among those dedicated to teaching. The founders chose the name from the Greek word meaning “knowledge”, “duty”, and “power”. KDP grew from the local chapter to the international organization that it is today.

At Saint Anselm College, our local chapter, Alpha Eta Mu (#856) welcomes all juniors and senior education majors who have earned a GPA of 3.25 or above. All eligible students will receive an emailed invitation to join from the chapter counselor, Professor Sherman.
