## Saint Anselm College

### **Commuter Spotlight: Alexander Burgess**

Alex is a Freshman here at SAC and is currently majoring in Criminal Justice and minoring in Psychology. Alex is from Weare, NH and has about a twenty-minute commute to the Hilltop. His routine begins with eating a breakfast with his family, and then driving to school. After attending his classes, he eats lunch at Dave and then heads back home to attend remote classes and finishes up any homework. Outside of class, Alex is a participant on the Saint Anselm Debate team which meets every Thursday evening. He says “clubs are fundamental for us commuters since other than events, which are lacking due to Covid, it’s the easiest way for us to get involved on campus.” He went on to discuss how commuting is hardest in the winter due to icy roads and heavy traffic. Nonetheless Alex is still able to be a successful commuter and greatly enjoys his studies and participation within the Anselmian community!
