Dear Friend,

While many students relax during the final days of summer vacation, 46 Saint Anselm College students will spend their last days of summer on a 130 mile pilgrimage, raising money and advocating for local charities. Saint Anselm College and the Office of Campus Ministry have a devoted focus on Christian service and community, giving our students opportunities to learn and grow while serving in a variety of programs. Since 1999 **Road for Hope** has raised over \$300,000 for nine different charities, strengthened the bonds in our communities, and allowed students to put their faith into action.

This August, these students will walk 130 miles – from Lewiston, ME to Manchester, NH –for nine small non-profit organizations along the route: Relief and Hope program of Catholic Charities of Portland, ME; Community Concepts of Lewiston, ME; Good Shepherd Food Bank of Auburn, ME; York County Shelter Program of Alfred, ME. St. Charles School of Rochester, NH; S.H.A.R.E. Fund of Rochester, NH; Candia Moore School Drug Awareness Program of Candia, NH; Kids’ Café of Manchester, NH; and UpReach Therapeutic Riding Center of Goffstown, NH. Many of these charities rely on the contribution of **Road for Hope** walkers for a significant portion of their annual budget.

We are reaching out to you and many other friends to ask for your support of this important initiative. Each participant must raise \$500 and our overall goal is to raise more than \$25,000 to cover the costs of expenses and enable us to provide a donation of at least \$2,500 to each of the charities along the route. Please know that whatever you are able to contribute to **Road for Hope** will be greatly appreciated. Your support will make an important difference in the lives of those we serve and our students. If you have any questions, please contact us at (603) 641-7130 or campusministry@anselm.edu. Thank you very much for your support.

Sincerely,
Susan S. Gabert`91 Ed.D.
